Activity Volunteer

- Useful Vision need volunteers to support our activity programme for visually impaired children across the North East.
- You will be working closely with the Activity Co-ordinator and Volunteer Co-ordinator to support visually impaired children and their families., ensure activities are run smoothly, and provide on the day support to the Useful Vision staff.
- You will gain the opportunity to utilise existing and new skills to make a difference to people's lives, meet new people, be part of an inclusive and supportive team, attend free training, and be reimbursed for expenses.
